ALIENS BECOMING SOLDIERS

Field officers of the Bureau of Naturalization, Department of Labor, who are receiving applications for naturalization from large numbers of men of the new army of occupation now being recruited for service abroad have found that a large number of men of foreign birth are enlisting in order that they may have the opportunity to visit relatives abroad.

These men have definitely decided to become American citizens and are responding in large numbers to the opportunity to obtain naturalization quickly but the

furlough feature whereby the army permits them to visit relatives living abroad has proved very attractive, for the reason that many feel that they would otherwise never again be able to return to their old homes. Most of the men thus enlisted are young, as a rule under 23 years of age.

MR. YATES ON N DAYLIGHT SAVING.

Last week the bill to repeal the Daylight Saving law was called up in the National House of Representatives. After quite an extended debate and efforts at amending and other things the bill was passed by a vote of 232 ayes, 122, "present" 5, and 7, not voting. The discussions with letters from various parts of the country was very interesting.

Mr. Yates congressman-at-large from Illinois, voted for the bill repealing daylight saving.

That was an equitable automobile law that Iowa recently adopted. By this law there is a fixed license fee for each automobile, with a percentage added on each 100 pounds of weight, thus the heavier the car the larger the amount of the fee. The theory is that the greater the weight of the car, the more is the damage done to the roads it traverses, and that therefore the owner should pay accordingly in-

to the fund for road maintenance. It reads like a sensible measure.

The American Federation of Labor has been a very strong organization in the past. Augmented by 500,000 railroad employees it will be vastly stronger. Not everyone can agree with all the principles laid down by the federation, but there cannot be a dispute about the benefits that have resulted from the federation work to its members and to society. The federation has the power which, rightly used, can make for the good of the country as a whole.

ISANGAMON'S GENEROUS HOME COMING PLAN.

Sangamon county will hold her home-coming celebration for soldiers today. The program as announced is extensive and indicates that the \$20,000 fund available for the committee will be judiciously expended. The fund of \$5,000 for Morgan county's celebration doesn't sound generous by comparison with Sangamon county, but it must be remembered that the neighboring county is much larger than our own. Comparatively speaking, the Morgan county plans will be fully equal to those of Sangamon.

A MAJESTIC MEMORIAL.

Of all the memorials in honor of the late Col. Roosevelt, none is more appropriate than that "erected" by the Black Hills pioneers, who have named a mountain for the ex-president. It is the highest peak in the Black Hills, and with its rugged and stately grandeur suggests much of the character and strength of Roosevelt. Mr. Roosevelt will live thru all the years and as it towers there in its grandeur, those who live in the great northwest and those who visit that part of the country will have a reminder of one of the greatest of Americans, and thoughts will dwell in their minds of what he represented in the life of the country.

GERMANY AGREES

Germany has definitely agreed to sign the peace terms, altho the official signatures have not yet been affixed. This determination causes no great surprise, for there was nothing else to do. The armed forces of the allies were just outside the gates and the refusal would have meant the invasion of the country. Perhaps the continued dispute over terms was intended to impress the allies with the serious way in which Germany now views her promises and obligations.

Perhaps it was to do away with the memory of the old theory which looked upon treaties as mere scraps of paper. After all, we must give the Germans credit for having done some real thinking in past months, and believe that they look upon present conditions with a reawakened conscience.

THE GOVERNOR AND SEIZURE

Governor Lowden signed the

search and seizure bill as most people who read the details of the hearing he held on the law thought would be the case. If anyone doubted the clearness of the governor's decision and the logical way in which he attacked the problems that came before him for consideration, that doubt must have been dispelled by reading his very clear statement as to the reasons for signing the bill. Those who opposed it harped a great deal upon "invading the home."

The governor has shown that this argument was without foundation, for the law clearly says that there shall be no search unless the warrant has been signed by two judges and the house is a public resort or a place where liquor is sold or kept for sale. Certainly that provision clearly protects "the sanctity" of the home.

Gov. Lowden again lays emphasis upon the duties of citizenship and the majesty of the law when he affirms that the measure purposes in the main to enforce the law already adopted by the federal amendment, and that the enforcement of law is necessary and desirable. If people are to continue in their proper respect for government, the governor's decision to sign the bill will be approved by a majority of fair-minded citizens, who understand the law's provisions.

Rippling Rhymes

MARVELS

Every time I run my motor, dodging through the crowded mart, I remark, "I bless the voter who invented such a cart!" Every time I use the wireless that invention makes a hit; when I use my fireless cooker, I'm inclined to throw a fit. When I hear an airplane chugging through the balmy air, I observe, "There's something doing, something stirring everywhere!" All he world is full of wonders, still they come, an endless troop; Science stands aloft and thunders, "I have scored another scoop!" Oft I wonder while pursuing flies that try to use my brow, what will mortal man be doing in a hundred years from now? Oft I wish that things were ordered so a dead man might come back now and then, from regions bordered by old Jordan, cold and black; long enough to look around him and behold what men have done, since the pale white rider found him and his course on earth was run. Granddad died in '87; could he come back for a day, see the airships grazing heaven—what would that old gaffer say? But the dead men come back never, and the sleepers can't keep tab on invention and endeavor, from beneath the graveyard slab.

IN ACTIVE NATIONAL

Y. W. C. A. WORK.

Miss Lillian Davis, who is field secretary for the national Y. W. C. A. organization, spent Sunday and Monday with her mother, Mrs. John R. Davis, and her sister, Miss Esther Davis, at the family home on Webster avenue. Miss Davis is very actively engaged in the work as field secretary in the south central territory and the summer months promise fully as much activity as those that have gone before.

The territory includes Missouri, Arkansas, Mississippi, Tennessee, Louisiana, Georgia, Kentucky and Alabama, so that Miss Davis in her travels traverses a wide area. The work at present is largely in connection with recreational camps for women and girls engaged in manufacturing industries. In this line of work the national Y. W. C. A. and the war department have both accounted as especially important in the reconstruction days.

LAND NEAR FRANKLIN SOLD.

A tract of 70 acres of land was sold yesterday by J. Melchi Hart thru the Story agency to Moses Seymour. This land is a part of the old homestead of the late Rev. William P. Hart, and is located southwest of Franklin, in that locality known as Hart's Prairie. Mr. Seymour made the purchase of the land for his son, Homer Seymour, who is soon to return from overseas service with his bride, a young French woman who has united her fortunes with one of "America's bravest." The soldier and his bride will be cordially welcomed by the family and community.

DEATHS

Bolman.

Miss Mildred Bolman of 111 North Kosciusko street, died at Passavant hospital Sunday morning at 1 o'clock.

Deceased was the daughter of O. C. and Harriet M. Garrison Bolman and was born in Roodhouse December 18, 1900. Besides her parents, she is survived by four brothers and one sister Morris M., Paul M., John M., Eldred Ross and Mary Helen Bolman.

Miss Bolman was a member of Central Christian church. Since last January she has spent most of her time in Passavant hospital. By her cheerful disposition and patience she greatly endeared herself to her physicians and nurses and had many friends in her various cities where she had her home. She was a graduate of the Greenville high school in the class of 1918.

Funeral services will be held from the Gillham parlors this morning at 8:45 o'clock in charge of the Rev. M. L. Pontius if he returns to the city in time. He will be assisted by the other Disciple pastors of the county. A quartet from Central Christian church will sing.

Roach.

Mrs. Ruth Roach, wife of J. Ralph Roach of 6096 Cabanne Place, St. Louis Mo., died Wednesday evening June 18, after only a few hours illness. Sunday evening they were out to dinner, then took a 50 mile car ride, Monday evening she was on the front porch to meet her husband. When he came home Tuesday evening she was ill. Wednesday evening she died. Four doctors were in attendance but nothing could be done for her.

Mrs. Roach was formerly Miss Ruth Dobyns and was a student of the Woman's College in this city. Her husband was a student of Illinois College and had many relatives and friends in this vicinity. Her trouble was diabetes, coming on her very suddenly. It is very sad. She was a lovely woman, and there was so much in life for her. Ralph will have the sympathy of a wide circle of friends.

Funeral services were held Saturday afternoon at St. Louis.

MISS SHEPPARD HERE FOR THE SUMMER

Miss Edna Sheppard, daughter of Mr. and Mrs. J. S. Sheppard, has completed a successful year's teaching and concert work in the east and is again at her home, 284 Sandusky street. For the past six years Miss Sheppard has been located at Boston but next year she will be in New York City, and two days each week will teach in a well known school for girls on the Hudson. This change has been made at the suggestion of Nathan Frank, famous orchestra leader, who has urged Miss Sheppard to locate in the larger city because of the splendid opportunities offered.

The past few weeks Miss Sheppard has spent in New York, attending to her duties for next season. She will make a concert tour with Paul Shirley, leading viola d' amour player of the U. S., and another with Sergei Adamsky, tenor. The first of these tours will be thru the New England states and the south and the second thru the east.

Miss Sheppard will spend most of the summer at her home in this city. In September she will spend several weeks at the seaside home of Mr. and Mrs. Shirley at Cape Cod. This time will be spent in rehearsing in preparation for the concert tour, the first number of which will be given at Providence, R. I., Sept. 24. The many friends of Miss Sheppard in this city are glad to know of her continued success in her chosen career, and they will expect to hear of still further triumphs in her new and broader sphere.

PYTHIANS ASSEMBLED FOR ANNUAL MEMORIAL

Held Services Sunday at the Congregational Church — Tribute Paid to Deceased Members.

A large audience of members of the Knights of Pythias lodges gathered at the Congregational church Sunday morning after decorating the graves of the departed brethren, to listen to the annual sermon, delivered this time by Rev. W. E. Collins, pastor of the church. The audience room was beautifully decorated for the occasion and everything was in keeping with the object of the day. The special music was excellent.

Hon. J. J. Reeve read the list of the dead and remarked that from the two lodges 62 men had been in the great war and one of these had died and none had been lost by the epidemic last year. The gentleman spoke beautifully regarding the principle of love which underlies the order and is shown in the acts of membership and its uplifting influence on the community. A short time and all present would be numbered among the departed and their regard would be commensurate with what they had done for the needy and worthy ones of earth. "Then let us so live that when the western hills hide the sun of our last day we may go to our final reward with the happy consciousness of duty well performed."

Mr. Collins took for his text the words, "In Him was Life and the life was the light of men. His fullness have we all received." He said in part:

"These are the greatest words of the blessed Redeemer. We measure the worth of man by his nearness to Christ. One man says Providence has nothing to do with the affairs of men while another says that God orders everything, even the awful war. But in Him was light. There is no place where God is not. We should always think of Christ as everywhere. He is with the mechanic at his work; with the clerk behind the counter; with the woman at her daily tasks.

"We are partners with God in working out the plans for the community. Great advances come through the travel of the human race. We have all received of His fullness because Christ loves all men. He took every day events to illustrate His truths. He used the Good Samaritan to emphasize the noble spirit of this order; the sinful woman at the well to declare the sublime truth that God is a spirit. He bitterly denounced the hypocrisy of the Scribes and the Pharisees and from the fields about Him He drew wonderful lessons of the kingdom of heaven.

Realize the Meaning of Sacrifice. "We have realized the past four years the meaning and necessity of sacrifice. Like the Master, men have given their lives for others. In our own land we sacrifice for others and like the object of this noble order, we strive to better the conditions of those less favored than ourselves. Christ made this a prime element in His kingdom. The mothers of our land have given their precious sons for the great cause and many sleep on foreign soil to awake at the judgment day.

"If we sent our forces overseas for democracy we must be willing to work and sacrifice at home. Religion has ever done on a larger scale what men strove for in the great war. I hope for better things in Russia. When Britain and France sent their statesmen over here, not to dictate but to help us avoid the errors they had made we had the opportunity for a great lesson. Would that China might hear that we sit down calm in our wealth and luxury and forget the suffering ones of the old world. Duty calls us and we must be obedient to the mandates of the kingdom of God."

James I. Graham, a knight, then most impressively recited an postrophe to the flag and the service were ended with music and prayer.

Intelligence

Have you seen a picture of the Allied Council at work in the Hall of Mirrors at Versailles—if not, look it up and study it.

Those men, from the President of the United States down to the representative of the tiniest nation, absolutely are immaculate in their dress.

Does this tell you nothing?

It means that the minds of great men, the world over, recognize that it is the custom of civilization to appear well groomed.

We have in stock a large quantity of fine woollens and summer fabrics which we should like to show you.

Our business is growing rapidly — Jacksonville is growing rapidly—the bigger men, the business men and the plain citizen with broad social and business activities has to look about for better clothes than Jacksonville used to wear.

Our years of experience has enabled us to get these goods at the lowest figure. Some of them cost more money than in the old days—but price, you know is a result of world conditions and only relative.

"Intelligence" demands of the thinking man good clothes from a good shop — good fabrics from a known mill—proper style and fit as a matter of personal taste.

Drop into our shop—a tailor shop where thinking as well as sewing is being done—you'll never regret it.

Home-Coming Reception To Lloyd Seibert.

Last Sunday in the grove just east of the beautiful residence of George Wheeler, near Sinclair, a home-coming reception and picnic was enjoyed in honor of Lloyd Seibert who returned home from overseas Thursday. A bountiful feast was prepared and enjoyed by the guests who assembled with appetites well prepared to enjoy the list of good things set before them by the ladies of the company. The hours were very pleasantly spent and surely Lloyd had good cause to feel that he was welcome home as everything possible was done to make the occasion what it should be and with complete success. Those present were Mr. and Mrs. Lloyd Seibert, Mrs. Wheeler, mother of the Wheeler family, together with sons and daughters and grand-children; Mr. and Mrs. Seibert, parents of the returned soldier; Mr. and Mrs. Henry Muehlhausen, Albert S. Skin Eruption Causes
Unbearable Itching
Scratching Increases the Irritation of the Delicate Skin Tissue
You can claw your nails into your skin until it bleeds, in an effort to obtain relief from the fiery itching and burning caused by skin diseases, but you only increase the irritation and pain.
And you can pour ointments, salves and lotions by the gallon on the irritated parts, without obtaining anything but temporary relief. Just as soon as the strength of the counter irritant give out, your pain and torture will return with increased violence, because these local remedies have not reached the source of the trouble. The real source of all skin disease is the blood supply. The blood becomes infected with some

impurity, and the disease germs break out through the delicate tissues of the skin. They may appear as eczema, tetter, boils, pimples, scaly eruptions, caused by disease germs in the blood.
The real cure, therefore, must be directed through the blood. And no remedy has yet been discovered that equals S. S. S. for any disorder of the blood. This great old remedy rids the blood of every trace of disease germs, and clears up the complexion and gives it the ruddy glow of perfect health. Get a bottle at your drug store today and you will soon be rid of your tormenting skin trouble. Also write at once for expert medical advice regarding your own case. Address: Medical Director, 263 Swift Laboratory, Atlanta, Ga.

LOWDEN TO SPEAK AT SUFF BANQUET
SPRINGFIELD, Ill., June 23.—Governor Lowden will leave tomorrow afternoon for Chicago where he will speak at the banquet which is to be given tomorrow night by the Illinois suffrage association. The governor will speak before the Iowa State Bankers association at Ft. Dodge on Wednesday and address the Iowa State Bar association at Davenport on Thursday. On Friday Governor Lowden plans to speak at the peace victory celebration of the Loyal Order of the Moose which is to be held at Mooseheart, Ill.

MAY EXTEND AIR MAIL SERVICE
WASHINGTON, June 23.—As a result of successful operation of the aerial mail service between Chicago and Cleveland the post-office department, it was announced, is considering extension in the fall of the service from Chicago to Omaha, which would mean a total reduction in train mail time between the Atlantic and Pacific coasts of approximately 24 hours. It is also planned to connect St. Louis with the east by an air mail route.

CHARGE RAILWAYS HEAD WITH THEFT
ST. LOUIS, June 23.—Richard McCullough, president of the United Railway Co., of St. Louis today was charged with burglary in the second degree and larceny in connection with the theft June 15, 1918 of referendum petitions against the street car company's franchise ordinance in an information issued by Circuit Attorney Lawrence McDaniel. The circuit attorney also announced the case would be taken before the grand jury tomorrow.

GOLD INDUSTRY HIT HARD BY WAR
Deadwood, S. D.—The low price of gold is worrying mining men in the Black Hills and a petition is being circulated to urge congress "to do something about it."
For nearly 200 years there has not been any change in the price of gold, according to local financiers and miners. More than 1,000 signatures have been attached to a petition which is to be sent to the South Dakota congressional delegation. The chief request is that the price for gold be increased from \$20.67 to \$30.
During the war the gold industry was hit hard because of the high prices paid for silver, copper and other metals. Expert miners left the gold districts because other mining companies were able to pay much higher wages. It is claimed that exploration companies have refused to spend money for new work until a price adjustment is made. The output in the Black Hills for the past year has been unusually small.

FILE SUPPLEMENTAL PETITIONS IN RATE CASE
Springfield, Ill., June 23.—A supplemental petition in which additional evidence was submitted for an increase in street car fares from five to seven cents was filed by the Tri-City Railway company with the public utilities commission today.

FRED BRAY SEES MANY HOME PEOPLE

An Interesting Letter From
France Tells of Meeting Them
at Various French Cities.

Sergt. Fred Bray who for many

months has been overseas has written the following letter to the Journal wherein he tells in very interesting vein of the numerous Jacksonville people he has recently met abroad. This is the letter:

En route, France June 5, 1919, Editor Journal:

I think that several Jacksonville people might be interested in hearing about the people I've run into over here within the last three weeks.

We had a trip up to Treves and Coblenz, and at the latter place I ran onto Miss Margaret Moore, who is in the Y. W. C. A. hostess house there, and whom I just missed in Paris on Easter. I wish I had known that Worthington Adams was up there also.

Our next trip was into St. Nazaire and I ran in to see Jimmy Barnes there. He had just received a liberal handful of clippings from both home papers and loaned them to me. I read them—very word—and took them down to the big Y hut at Dock No. 3, where I passed them on to Miss Laura MacDonald. She was to let Harry Pierce have them next. Jacksonville happenings are by no means unsung.

Last Friday—Memorial Day—I did not go anywhere, but several of our fellows went to LaBoule to see some races. They brought back news that a fellow named Rogers had died every other car by a good half mile when he had an accident which apparently shook up his car a good deal and also put him out of the running. Yesterday, I was out to Camp Hospital 11, and found out that this was Earl Rogers from Jacksonville who was with Bill Kitchner, Pete Lashmet, Bob Foster and myself when we all left for

Jefferson Barracks, twenty-five months ago tomorrow. I thought that he had sailed but, like some of the rest of us, he has had to readjust his calculations and is still in the A. E. F., but hoping to sail at an early date. I saw him yesterday, and also his car. He was not hurt at all, and already has the car back into good condition.

We were in garage yesterday near Train No. 61. There is a Jacksonville boy on that train named Gunn. I've seen him at Bordeaux a couple of times and was going over to see him last night, but we were ordered out on a trip to Chaumont, Dijon and Gievres. We passed through Gievres today, and I got to see an speak to Clay Apple, (altho our train did not stop, and we had no time for exchanging views. Apple was playing ball as we passed through and was apparently in the best of health. This is the first time I've seen him over here although I've talked to him over the phone once.

The "Manchuria" is due in port on the eighth and I shall try to see Edward Alexander again then. Seeing someone from home is distinctly an event over here which no one can appreciate unless he has gone thru the same experience.

We are all impatient to get back, and beginning to see hopes of seeing Jacksonville during late July. It will be a welcome sight, too.

Sincerely,
Fred Bray.

FORMER SCOTT COUNTY MAN SHOT IN ST. LOUIS

Harvey Smithson Dies in St. Louis Hospital as Result of Shooting Which Occurred Saturday Evening—Funeral Services for McLaughlin Patrick—Other News.

Winchester, June 23.—The funeral of McLaughlin Patrick was held Monday afternoon at 3 o'clock at the home of his parents, Mr. and Mrs. Joseph Patrick, and was largely attended. A quartet including Mrs. W. H. Kinison, Miss Martha Higgins, S. G. Smith and George Hieronymous sang in a most beautiful manner "Beautiful Isle." The scripture lesson was read by Rev. W. J. Evans, after which the minister offered a prayer.

Following the solo, "God Will Take Care of You" by S. G. Smith, Rev. W. R. Johnson read an obituary sketch and delivered the funeral sermon. After the sermon the quartet sang "Jewels" and the cortege moved to the cemetery. There were many beautiful floral offerings and these were cared for by Misses Jeanette, Catherine, Cecil and Margaret Hoover, Blanch Wells and Emma Weeder. Those present included all school mates of the deceased, including Floyd and Clarence Tindall, Jesse Hawk, Mark Hazelrigg, Robert Lashmet and Carl Quinn.

Among those who attended the funeral were Mr. and Mrs. Lee Knapp, El Paso, Texas; Mr. and Mrs. Thomas Bush, Jacksonville; Dan McLaughlin, Cerro Gordo; Mrs. Albert Rhodes, Griggsville; Mrs. Wilfred Hamilton, Roodhouse; Mason Hamilton, Thomas Smithson and Leo Smithson were called to St. Louis Sunday on account of the death of Harvey Smithson, who was shot in the home in St. Louis by his wife. The shooting occurred Saturday evening, and the injured man was removed to the hospital where his death occurred Sunday morning at 5 o'clock. The remains reached Winchester Monday evening, accompanied by the brothers and uncle, and were taken to the home of his mother, Mrs. Robert Smithson, six miles northwest of Winchester.

The deceased leaves beside his mother, one sister, Mrs. Ralph Thomas, Winchester; three brothers, Leo Smithson, residing at home; Thomas Smithson, Winchester and Fritz Smithson living in Texas. Harvey Smithson was born and reared at the home place and was liked by all who knew him. His many friends here were grieved to hear of the sad happening.

Funeral arrangements have not yet been made.

Mr. and Mrs. Arthur Irving of Chicago were guests Monday at the home of Miss Anna Munze.

Miss Orpa Knapp has arrived home for the summer vacation from East St. Louis, where she has been successfully engaged in teaching school.

Supt. C. W. Smith, wife and two daughters left Monday night for Champaign to spend the summer. Supt. Smith will take special work at the university there.

MON SUNDAY EVENING SERVICES

In spite of bad weather a very fair congregation assembled at the Congregational church Sunday evening to enjoy the Union services of that and Westminster and State Street churches. Rev. W. H. Marbach of State Street church delivered an excellent discourse from the text, Isaiah 40:22, "It is he that sitteth on the circle of the earth and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain and spreadeth them out as tent to dwell in." The reverend gentleman dwelt on the fact that God is in command of all things and His throne is over all.

After July first all the city churches are to unite in this service Sunday evenings.

RETURNS FROM ADAMS COUNTY VISIT

George B. Kendall, county agent and family, spent Sunday with relatives in Pike county. They intended to return by auto but the weather interfered with their plans and the car was left in Pike county. Mr. Kendall said yesterday that the heavy rain Sunday did considerable damage to crops in Pike county and that a number of levees were washed out. The mud damage was done to ripened wheat, which may straighten up if there is continued sunshine now for a number of days, but the chances are for a considerable loss.

SAVE YOUR EYES

A strained vision is many times responsible for other ailments—nervousness, headaches—and accidents. Yet it is more easily remedied than almost any other defect of the human system if given prompt attention. Y. P. S. C. E. WORKERS COMING TODAY

District Convention Will Open
Sessions—Interesting Conference
Themes In Prospect.

The Jacksonville Y. P. S. C. E. convention for Scott, Cass, Morgan, Jersey, Greene and Calhoun counties will meet at 4 o'clock this afternoon at State Street church. There will be no formal session until 7:30 o'clock, following the registration, assignment of delegates and supper. After the song service there will be an address of welcome by Miss Laura Belle Stephens. Then will come a program of special music, followed by an address by Rev. I. W. Bingham. Seventy-five delegates are expected and the local committees have made all arrangements for their reception.

There will be three sessions Wednesday, beginning with the morning meditation at 8 o'clock led by Rev. W. H. Marbach. The afternoon service will begin at 1:30 and that in the evening at 7:30. Among the special speakers coming are Carl Lehmann, southern state secretary of the United Christian Endeavor Society; Charles F. Evans, field secretary of the all south Christian Endeavor; E. P. Gates, field secretary Illinois Christian Endeavor Union.

GRADUATED FROM ART INSTITUTE.

Jacksonville people will be interested in knowing that Miss Helen McDonald Johnson was one of the graduates of the art institute in Chicago last Friday. This was the fortieth year of the school and the graduating exercises were held at Fulton Memorial hall with the address by Dr. Frank Gunsaulus. The diplomas were conferred by Charles L. Hutchinson, president of the board. Miss Johnson is a granddaughter of the late Andrew McDonald and a niece of Mrs. A. D. Brackett, now a resident of Virden. Miss Johnson's work has been of a kind to attract favorable comment from year to year and she graduated with honors.

ATTENDED STATE DRUGGISTS MEET

Byron Armstrong and J. A. Long, druggist of this city, have returned from Peoria where they have been attending convention of the Illinois Pharmaceutical association. They report an exceptionally interesting session this year and an unusual attendance, more than five hundred members being present. Mr. Armstrong is a past state president of the association.

ATHENS CAMP IN REGULAR SESSION

At the regular session of Athens Camp No. 4980 held Monday evening in Woodman hall several applications were received and reports showed the affairs of the camp in good condition. Following the business session a social hour was enjoyed and refreshments were served.

DOMESTIC SCIENCE ROUND TABLE TO MEET

The Domestic Science Round table will meet at Grace M. E. church next Thursday evening at 7:30 o'clock. A business session will be held and all members are especially urged to be present.

Mrs. Ben Lorton,
Secretary.

PROBATE COURT

In the estate of James Patterson, letters of administration were ordered to issue to Fletcher Patterson and bond fixed in the sum of \$2,400.

J. H. Hubbs, administrator of C. B. Williams, filed his final report which was approved.

STORMS GENERAL SUNDAY

The rain which fell Sunday was quite general in all directions from the city. Near Sinclair there was nearly a roundburst while at Alexander the downpour was heavy. Chapin brought in a similar report while as far away as Springfield the heavens wept copiously. The worst feature of the storm is the damage to wheat which is badly down in some sections.

Miss Gertrude B. Sorrells, who is a teacher at the state school for the deaf at Santa Fe, New Mexico, has arrived in Jacksonville and will spend the summer at the home of her parents, Mr. and Mrs. G. W. Sorrells on North Fayette street.

FORMER RESIDENT DIES AT HOSPITAL

T. H. Maddox Passed Away as
Result of Injuries Received in
Auto Accident.

P. C. Maddox was advised Sunday of the death of his brother T. H. Maddox of Chatham, which occurred at a Springfield hospital Sunday evening, June 22. The death of Mr. Maddox was the result of injuries received Wednesday, June 11, when an automobile in which he was riding was struck by the Alton limited while crossing the tracks near his home. The train struck the back part of the car demolishing it and Mr. Maddox was pinned beneath the wreckage. He received numerous cuts and bruises all over his face and body and illness which resulted brought on his death.

Mr. Maddox was a former resident of this county. He was born at the family home near Sinclair May 1, 1865, and lived in that vicinity until about fifteen years ago. He then moved to Chatham to serve as a traveling representative of an implement company there. Three years later he took charge of the Farmers Elevator Co., business at Chatham and in passing years has become one of the most prominent grain men in central Illinois. Those who knew Mr. Maddox well appreciated the warmth of his nature and the strength of his character, and he was a man esteemed by all with whom he came in contact.

The deceased is survived by his wife, one son, George O. Maddox, of Chatham, and two daughters, Kittie and Julia Maddox at home. He also leaves two brothers, P. C. Maddox, living east of Jacksonville; U. G. Maddox of Clayton and two sisters; Mrs. H. P. Mohn and Miss Ida M. Maddox, both of this city.

The funeral service will be held at the family home at Chatham Wednesday, June 25, at 11 a. m., with services in charge of Rev. M. Borrie. Interment will be made in Diamond Grove cemetery here and the funeral party will come by automobile if road conditions are satisfactory, arriving about 3 p. m., when short services will be held at the cemetery.

If weather or road conditions are not favorable the funeral party will come over the Wabash at 5:20 o'clock and services will be held immediately afterward. Among those who will go from Jacksonville to Chatham for the services are Mr. and Mrs. P. C. Maddox, Mr. and Mrs. H. P. Mohn, Mr. and Mrs. H. A. Maddox, Miss Ida Maddox Mr. and Mrs. Frank Shields and Mr. and Mrs. R. E. Phillips.

ROUTINE BUSINESS AT COUNCIL MEETING

Council Received a Number of Communications and Petitions at Regular Meeting—Financial Statement Will be Ready in a Few Days.

At the regular meeting of the city council Monday evening property owners abutting on Duncan street and West North street between North Church and North Fayette streets asked the council to pass ordinances vacating the streets in order to give them a uniform curb line.

A communication was received from property owners of East State street asking the council to notify J. E. Bretz the contractor to build the pavement in that street according to plans and specifications. John J. Reeve presented a communication relative to status of all new street paving in Jacksonville.

Mayor Crabtree had a draft of the financial statement which is being prepared by Price-Waterhouse & company of St. Louis. Mayor Crabtree said Mr. Mayors was here and would have the report ready for presentation within a few days. Various other matters were discussed informally.

The Proceedings.

Roll call showed all members present. Mayor Crabtree presiding. The minutes of the last regular meeting were read and approved as read.

A petition was presented from property owners with property abutting on Duncan street between North Church and North Fayette streets asking the council to pass an ordinance vacating the street. The petition recited the fact that the street was but little used and accumulated a great amount of rubbish. It also developed later that property owners abutting on that part of West North street between North Church and North Fayette streets wanted similar action taken. The petition was received and placed on file.

On motion of Ald. Moore seconded by Ald. Ehrie the mayor appointed the Second ward aldermen to investigate and get the property owners to sign a contract to pay for the curbing necessary for the paving on North Church street and for the signing of an agreement by Miss Lee one of the property owners giving to F. J. Blackburn a right of way to his property.

Want Contract Fulfilled.

A communication was read from property owners of East State street notifying the council that at a meeting held last Friday night a motion had passed to notify the council to instruct the contractor to proceed with the paving according to contract and specifications.

Ald. Graf seconded by Ald. Moore moved that the clerk write Mr. Bretz the contractor and ask him to inform the council when he expected to begin work. The motion carried.

A letter was read from Mrs. Sherman Leavitt asking the council to appoint one of its number to the community council. Ald. Williamson seconded by Ald. Graf moved that the Mayor appoint a member of the council to the position. The motion carried and the mayor appointed Ald. Williamson. He asked to be relieved of the appointment and his request was granted and the mayor then appointed Ald. Graf.

A communication was read from John J. Reeve giving the council the status of the various new street pavements in the city under process of construction or already constructed.

The Financial Statement.

Mayor Crabtree presented a draft of the report being prepared by Price-Waterhouse of St. Louis. The Mayor asked the chairman of the various departments to make estimates of their present cost of operation and also what the cost would be to bring their respective departments up to proper efficiency and have them ready when the report was presented.

The matter of insurance policies on city property was brought up by Ald. Graf who said some of the agents had been carrying the premiums for some time and would like to know when they could expect payment. The clerk was instructed to furnish Ald. Graf a list of the insurance policies of the city together with the names of the agents and the time of expiration.

Mayor Crabtree said the committee in charge of the parade for the homecoming July 4th, had asked to have West State street from Church street to the square, South Main street from the square to College avenue and the square kept clear during the hours of the parade. The matter was referred to the police committee with power to act.

Ald. Flynn called attention to the practice of leaving vehicles in the highways at night. He thought the matter should have attention. The council was instructed to act as committee of the whole in this matter with Ald. Flynn as chairman.

Remarks were made by William Bieber, Bernard Gause and Frank McKenna.

Engineer Henderson reported that work was progressing on the Jacksonville Railway company's right of way in East State street.

There being no further business the council on motion adjourned.

CHILDREN WILL BE PARADE FEATURE

Thousands Expected to Take Part In July Fourth Festivities—Fancy Costumes and Pennants Will Be Provided.

Preparations for the welcome home parade next week are still progressing in a satisfactory way and every indication is that the parade and entire program scheduled for the Fourth will be the biggest thing of its kind ever staged in Jacksonville.

One of the divisions in the line of march is to be made up of the school children of the city. Each and every child of school age should be in the parade. The march will not be a long one and will not be a hardship on the smallest of the children.

The committee in charge of the parade has secured hats and banners for all children who take part. The fancy red, white and blue head-dresses are of a number of different, attractive designs. Each child will also be given a banner or pennant twenty four inches long and twelve inches wide, bearing the words "Welcome Home, Heroes."

All public and parochial children are requested to assemble at the high school grounds at 11 o'clock at which time the hats and banners will be distributed.

These fancy "bonnets" should be saved and may be worn at the Mardi Gras festivities to be held in Central Park the evening of the Fourth.

GOOD ATTENDANCE AT GOSPEL TENT

Rain Did Not Mar Sunday Interest—Evangelist Mitchell Heard In Strong Sermon.

Despite the rain there was a good attendance at the gospel tent Sunday night. Evangelist Miller preached a most effective sermon on "The Love of God," based on John 3:16. The truth was emphasized that God loves us all. No man or woman ever falls so low as to be out of reach of his love. He hates sin, but loves the sinner. A drunken man saw the text: "God is Love" in letters of light over the pulpit of Moody's church and it brought him to Christ. A model of a beautiful cathedral lay neglected in an art gallery. An artist discovered it, brushed off the dust, put lights inside, and it became the most admired piece in the gallery. God wants to put the light of his love in our hearts and flood our lives with his glory.

A ranchman out west, riding home thru a storm, heard a faint cry. He was tempted to disregard it, but finally stopped to investigate and found his little daughter who had wandered from home, and was about to perish in the night and the tempest. The night of sin has settled over the whole world and Jesus is seeking to save us from eternal death.

Someone says "If God were making a world he would stop to save one sinner. Etern hell proves God's love. We would not have sin invade Heaven anymore than we would have a smallpox patient in our homes. So hell is God's pest house for those who persistently refused to be cured of the contagion of sin. Don't trifle with sin; God has provided a remedy for it, don't neglect that remedy. A father and son had quarreled and the son left home. The mother on her death bed persuaded the father to send for the son, and taking their hands in hers she put them together and said with her expiring breath, "Be reconciled." So Christ on the cross prayed: "Father, forgive them." And now by His Spirit He is saying to each of us "Confess your sins, and He will forgive you."

Twelve persons responded to the invitation for seekers and ten of them professed conversion, making twenty to date.

Monday was rest day, but the meetings will be resumed today. Prayer meetings at 9:30 this morning will be held at the following homes:

W. J. Bown, 1261 South East street; C. A. Boruff, 808 South West street. Rev. C. E. Hudson, Baffle avenue.

Tonight will be "Family Night" and a family Bible will be given to the largest family sitting together. Wednesday night is "Young People's Night," Thursday, "Soap Night," Friday, "Trade Night," and Saturday "Farmers' Night."

WARNING

GREEN STAMP EVENTS INTERESTED MANY

Large Group of "Guessers" In Successful Campaign Managed By Rabjohns & Reid.

The "Green Stamp Jubilee Week" conducted at the Rabjohns & Reid store last week was a most successful campaign, and the interest in the "Miss Thrift" contest was most intense. Every day during the week the store offered some special inducement to customers, and the result was that the store did a most satisfactory business and the interest in "S. & H." stamps was greatly increased.

On Monday and Tuesday twenty extra stamps were offered to the first seventy five customers making a purchase of \$1 or more. Wednesday was "new collector's day" and 10 free stamps in a new book were given to every visitor. Thursday was "Mysterious Green Stamp Girl" day, and 500 stamps were given to the finder of the girl in the morning and the same number to the finder of the girl in the afternoon. Friday was double stamp day in all departments and with all purchases. Saturday was coupon exchange day, when 5 valuable prizes were offered to persons exchanging the greatest number of tags, labels, coupons, etc., for S. & H. green stamps.

The drawing took place Monday afternoon at 3 o'clock and was attended by a large and enthusiastic group. Some of the prize winners were not present, however, and these may secure their prizes by calling at the store at any time. In the "Miss Thrift" contest the correct number of stamps on the costume was 10,547. There were 6,500 votes cast in this contest and the successful guesser was Miss Jessie Howe, 749 East Chambers street, who will thus receive 1,000 stamps free. The winners of the second and third prizes were Miss Ola May Gibson, Franklin, and Mrs. E. Kettering of 210 North Prairie street, each of whom receives 625 stamps. John Burke of 302 West College street was the winner of fourth prize and will receive 400 stamps.

Twelve persons tied for the fifth prize, and the fifth to the eighth prizes were divided between the following, each person receiving 75 stamps:

Philip Darr, 609 South Church street.
Margaret Rankin, route 2, Jacksonville.
Nell Hoban, 535 Allen avenue.
Helen Cleary 212 Sandusky street.
Mrs. John Halligan, route 3, Jacksonville.
Grace Johnson, 322 West North street.
Mrs. C. P. Henderson, Literberry.
Evelyn Schumaker, 344 East State street.
Mrs. N. Rawlings, 866 Grove street.
Alma McFarland, 633 North Main street.
Tillie E. Goebel, 1423 South Main street.
Ruth Rawlings, 855 East State street.

The prize winners on Saturday, "coupon exchange day" were as follows:

First Prize—Mrs. E. B. Christman Merritt, 500 stamps.
Second prize—Isabel Seymour, 233 North Clay avenue, 375 stamps.
Third prize—Marie Vieira, 1006 North Diamond street, 250 stamps.
Fourth prize—Mrs. C. A. Nelson, 641 Liberia street, 200 stamps.
Fifth prize—Mrs. Lee Deatherage, 132 Dunlap street, 150 stamps.
Sixth prize—Mrs. M. E. Gilbert, 603 South Prairie street, 125 stamps.
Seventh prize—Mrs. C. A. Fiedler, 1123 West Lafayette avenue, 100 stamps.
Eighth prize—Mrs. A. Fernandez, 1013 North Fayette street, 50 stamps.

On Thursday the "Mysterious Stamp Girl" prizes were awarded to the finders 500 free stamps being given to each.

RETURNS FROM EASTERN TRIP

Mrs. James Weir Elliott has completed a visit of several weeks in the east. Mrs. Elliott went east for the purpose of attending the tenth reunion of her class at Wellesley, and also visiting a number of friends and relatives. The reunion was a most delightful one, one hundred and twenty members of the class being in attendance. The alumnae spent a week in festivities at the college, where they were the guests of the dean of the college management.

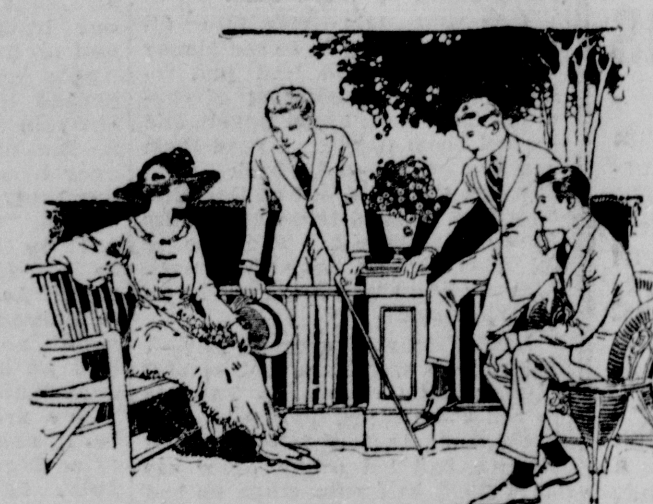

Mrs. Elliott was the guest of a number of her former college friends in New England, and also spent a week in New York City at the home of her husband's sister, Mrs. Lucile Elliott-Elliott.

PLAN FOR ALL DAY PICNIC

VIENNESE DISTURBED BY ITALIAN CLAIMS

To Ownership and Restoration to Italy of Paintings and Jewels in Vienna. Art Collection—Some of Present Claims Date Back to Middle Ages.

Vienna.—(Correspondence of the Associated Press.)—Italian claims to ownership and restoration to Italy of paintings and jewels in the Vienna art collection seems to be disturbing the Viennese quite as much as any other probable clause of the peace treaty of St. Germain.

It is understood that promises had been made by the Austrian delegates to the peace conference

that the collection shall be left intact, and the claims of Czechs and Jugo-Slavs not granted. This position is said to have been taken partly because if the principle of restitution were once allowed it would apply also to American and English collections the origins of which are shadowy, especially the Greek treasures in London.

As some Italian claims to paintings are based on the treaty between Italy and Austria of 1866, it is stated that Austria will demand payment of two billion lire unpaid by the Italians although owned under that treaty. It is said also that Italy would welcome any honest re-adjustment of collections of sculptures and paintings, wherever owned and that Greece also favors this attitude.

Some Old Claims.

Some of Italy's present claims date back to the Middle Ages or earlier, as in the case of the crown of Charlemagne made by Italian goldsmiths also the Imperial Cape made by Saracens for the Norman Kings of Sicily and Cellini's golden salt-cellar designed for Cardinal Medici but cast for Francis, the First and later given by Charles, the Ninth, of France to Ferdinand of Tyrol as a wedding present. Its present value has been estimated at possibly one million dollars.

Claim is laid to the Este collection of Egyptian and Roman antiquities, musical instruments, Marbles and bronzes which the Emperor of Austria inherited from the Duke of Modena. This collection was brought here from Catara, near Padua, twenty-five years ago but has not yet been exhibited to the public although a museum is now being arranged for it in the new Hofburg Palace. The most important single object of this collection is "Cupid Discharging an Arrow" by Donatello. Cupid being considered by many the most lovely child ever modelled. This work was cast in the middle of the 15th century and is three feet high. There are no copies of it in existence and very few photographs. It would be valued at several million dollars according to D'Ancona if it were possible to place a commercial price upon it.

Among Austrian collectors agitated over Italian claims is the aged Count Wilczek, the discoverer of Franz-Josef Land. Many of these claims, however, are only provisional.

TO CONSIDER WOMAN SUFFRAGE AMENDMENT
Austin, Tex., June 23.—Consideration of the proposed federal constitutional amendment for woman suffrage virtually is assured at the special session of the Texas legislature, which convened today.

Governor W. P. Hobby's call for the session gave fiscal and "other matters" as the legislative program, but several advocates of woman suffrage in the senate already have prepared a resolution for ratification of the federal amendment.

Framers of the resolution and leaders of the state suffrage organization, are confident the amendment will be ratified by the legislature with little opposition. No organized opposition has been disclosed.

TWO MONSTERS SLAIN; TONEAL WAS CAUSE

Notwithstanding the hot weather last week there was an immense crowd gathered on the show grounds at the Billy Sunday lot to hear the Tonal man and witness the wonderful demonstrations every evening, and the office at the Pacific Hotel was visited by a great many people. All accepted cases left the office with full assurance that life had a brighter side than which they had viewed for years past. The skeptics even acknowledged that the eccentric young man's claims for his remedies have benefits that have been produced. The stage of belief in the remedial agencies are past. The stage of certainty has been attained. All who have investigated the victories won over disease by the Tonal new discovery agree that all the claims for success have been facts. The half has not been told. Results have been effected in the quiet of many of the homes of Jacksonville. They do not reach the newspapers, but those who have been made glad by the kind action of the new discovery tell the story to some friends. They commend the medication, and their friends do likewise. A semi-endless chain is being formed and at the Pacific hotel the citizens are being benefited in many cases where they had thought impossible.

Hundreds of testimonials are received daily. Among one of the number received was that of Mrs. Harvey Burnett of Charleston, who had been troubled with stomach trouble for some time. Through the advice of friends she purchased some of the Tonal remedy and only took one dose when there passed from her system a large tapeworm. Mrs. Muman of Charleston, ailing for some time, after a dose of Tonal remedy, passed a large tapeworm.

This is only a few of the many who daily testify of the good results produced by the use of this treatment.

The office at the Pacific hotel is open from 10 to 12 a. m., from 2 to 4 and 7 to 8 p. m. Tonal remedies for sale at Armstrong's drug store.—Adv.

AMERICAN MACHINERY SYSTEM IN GERMANY

Large Consignments of American Agricultural Machinery Shipped to Macedonia—King of Greece Interested in American Implements.

Saloniki.—(By Mail).—Large consignments of American agricultural machinery has been unloaded here for use in Macedonia. The motor plows are badly needed on account of the dearth of horses and oxen which the Bulgars carried off with them. In the last six months the American Red Cross has been instructing Greeks and Serbs in the use of modern farm machinery and American methods of soil improvement and now farmers are being given the opportunity to buy implements at advantageous prices.

King Alexander of Greece is much interested in American farming machinery. Recently a very large consignment of agricultural machinery and implements arrived in Athens from America. The consignment comprised all classes of power machinery and a considerable number of motor plows. King Alexander viewed these plows at the Athens Botanical Gardens. At his request two or three of them were set to work in an adjacent field, attracting from first to last his special attention. Later these American machines and implements were exhibited at the Zappeion, the large exhibition building in Athens used during the war as a hospital. There they were visited by landowners, farmers and the general public.

The Greek government shipped a number of these motor plows and other implements to Eastern Macedonia and Thessaly to be used for the spring cultivation. In addition thousands of ordinary American plows are being shipped into Macedonia. To pull these plows the Bulgarians finally agreed after much discussion to deliver several hundred draught animals per week to the Greeks in recompense for the tens of thousands of animals taken by the Bulgarian army in Thrace during the war.

Owing to the fact that farmers throughout the Near East cultivate only small tracts, small size American machinery is in greater demand than the heavier machines, with the possible exception of harvesters. Only large owners can afford the large plowing tractors.

The American Red Cross has brought in about 300 American farm wagons and later these wagons and the many small American automobiles now being used in the Near East will be sold to the farmers. Near East is in greatest need of means of transportation and farming machinery and Americans are now meeting this demand.

NOTICE
All property owners are hereby notified to cut the weeds on their property and in front of it by July 1, or the city will do the work and charge for the same.

NEW SUPREINTENDENT AT PASSAVANT

Miss Mary E. Good Takes the Position and Comes Highly Recommended.

A short time since Miss Davies, who was engaged only temporarily resigned her position as acting superintendent of Passavant hospital and the trustees were fortunate in securing as a successor Miss Mary E. Good, who has taken the place and is in full charge.

Miss Good is a native of Maryland, but spent a good part of her young life in Tiffin, Ohio, where she received her regular education. Desiring to fit herself for a life of usefulness she taught school for a while and then took a regular course at the Illinois Training School for Nurses connected with the Cook County Hospital. Since that time she has had good experience, first as superintendent of nurses in the Eleanor Moore hospital at Boone, Iowa; assistant superintendent at the Milwaukee County Hospital at Wauwatosa, a suburb of Milwaukee, and the past year she has been assistant to Miss Mary Anderson, head of nursing department, at the Red Cross Headquarters in St. Louis. Miss Good is a very pleasant lady, one who at once ingratiates herself into the esteem of any one who meets her. Her manners are most courteous and agreeable and at the same time she is firm and methodical in the line of duty.

To that end he took a special course in Grove City College, a large institution of learning at Grove City, Penn. The institution is a prominent seat of learning and list of degrees conferred this year was 42. Of the event the Erie Daily Times says:

"Rev. E. C. Pires, pastor of Central Presbyterian church, was granted for completion of a Philosophy yesterday at commencement exercises at Grove City College. The degree is granted for completion of a three years' summer course of two months each and presentation of a thesis. Dr. S. H. CICOTTE WEAKENS AND CLEVELAND WINS

Sox Pitcher Holds Naps to One Questionable Hit Until Eighth—Felsch Catches Eleven Flies.

Chicago, June 23.—Eddie Cicotte weakened in the eighth inning after holding Cleveland to one questionable hit, and the visitors bunched four hits and defeated Chicago 3 to 2 in the first game of the series. Oscar Felsch of Chicago established what is believed to be a world's record for putouts made by a major league outfielder when he caught eleven flies in a regulation nine inning game. Some of his chances were difficult ones. The score:

INDEES LOSE GAME ON MUDDY FIELD

Centennials Win by Score of 11 to 3—Four Innings Played in Mud Making it a Joke Game.

The Indies lost their first game of the season to the Springfield Centennials on a muddy field Sunday afternoon by a score of 11 to 3. After the first inning it began to rain and when the rain ceased the remaining four innings were played on a muddy field and neither team had a chance to show what it could do.

The visitors showed perhaps the best team that has been seen here this year. They hit the ball hard but that is no criterion of their batting strength as the pitcher was not able to do anything but try to get the ball over the pan without a thing on it.

"Hap" DeFrates presented the visitors with two runs in the first inning by fumbles and wild throws. Elliott of the visitors was not to be outdone in generosity by DeFrates, however, and handed the two runs back, Jacksonville scoring twice without making a hit.

Wilkinson relieved Seymour in the first inning with one man out as Springfield seemed to like Seymour's offerings. Elliott met a like fate, as he was relieved by Dove in the first with one out.

How the Runs Were Made.

Springfield scored two in the first inning with one man out as Springfield seemed to like Seymour's offerings. Elliott met a like fate, as he was relieved by Dove in the first with one out.

The Indies tied it up in their half of the inning. Elliott was wild and hit Ruble with the ball. He walked Wheeler. Briggs laid down a pretty bunt and should have had a safe hit but Ruble overran third base and was tagged out. Riggs laid down a bunt and Kroeschner muffed the throw to the plate and Waehler and Briggs scored.

Rain stopped the game in the second inning with Fernandes at bat after Elliott had struck out. When the game started Fernandes singled to short. Scott beat out a hit down the third base line. Watling's double scored both runners. Alewelt who had taken third on English's single scored on a wild pitch. English who had taken second on the throw to the plate scored when Seymour muffed Dove's fly.

The Indies scored their last run in their half of the second. DeFrates walked and took third on Wilkinson's sacrifice. He scored on Seymour's single to center.

The visitors added one in the third on Elliott's single, two bases on balls and a batter hit. Three more came in the fifth on Fernandes' single, doubles by Scott and Watling, a stolen base and a fielder's choice. The score:

"Roughing it" in the National Parks

"Roughing it de-luxe" expresses what a summer outing may be in the National Parks of the West.

All the joys of the wilderness, within easy reach of modern hotels and railroad trains.

Here you can camp out—climb mountains—go fishing—and hit the trail—in a region of peaks and canyons, glaciers and geysers, Indians

and bears, deep woods and ice-fed lakes. Around the corner are modern resort hotels and miles of auto boulevards. Summer excursion fares.

Ask for the booklets you want. They describe Yellowstone, Glacier, Rocky Mountain, Mt. Rainier, Crater Lake, Yosemite, Sequoia, Hawaii, Grand Canyon, Petrified Forest, Zion, Mesa Verde and Hot Springs of Arkansas.

UNITED STATES RAILROAD ADMINISTRATION

MEXICO TO SEND EXHIBIT TO FAIR.

Dallas, Tex.,—In expectation that the Mexican federal government for the first time will be represented at the Texas Victory fair here in October, the fair board has reserved 20,000 square feet of our space for the exhibit from that country.

Mexican Consul Flores of Dallas, who transmitted to his government the invitation for an exhibit, expressed belief that his country would send an extensive exhibit.

If an exhibit is sent, Consul Flores believes at least one Mexican band will be part of it, and that there would be included pottery, Indian blankets, cotton goods, wicker-ware and agricultural products.

The Mexican state of Coahuila already has accepted an invitation to have an exhibit at the fair.

MILITARY FUNERAL HELD AT WHITE HALL

Services for Seaman Francis Ira Grimes—Died from Accidental Gun Fire—White Hall News Notes.

White Hall, June 23.—A military funeral was conducted in Whiteside Park Sunday afternoon between 2 o'clock and 2:30 over the remains of Seaman Francis Ira Grimes, whose remains arrived via Chicago over the Chicago & Alton road at 11:27 a. m. that day. Every feature of the funeral was military. The discourse was by Chaplain A. F. Ewert, and the soldiers in uniform were in charge of Capt. Dean Cora and Lieut. C. F. Wenken, there being in line 29 enlisted men, a captain, lieutenant, chaplain and four seamen, the latter serving as pall bearers. Appropriate songs were rendered by the Duncan sisters. There was a very large attendance and the exercises were exceedingly impressive. Following these exercises the remains were conveyed to Greenfield in the family burial lot, where lie the remains of other children of the deceased's parents, who died while the family resided at Wrights.

This is the first military funeral to be held here, although there was the absence of the firing of a salute because of guns not being available. In years past salutes were fired and taps sounded over the graves of Col. J. C. Winters and Capt. E. J. Pearce, neither of

This Is Better Than Laxatives

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Dosing Unnecessary. Try It.

Poor digestion and assimilation mean a poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body.

The result is weakness, headaches, dizziness, coated tongue, inactive liver, bilious attacks, loss of energy, nervousness, poor appetite, constipation, blood, sallow complexion, pimples, skin disease, and often times serious illness.

Ordinary laxatives, purges and cathartics—salts, oils, calomel and the like—may relieve for a few hours, but eat, having been only come through use of medicine that tones up and strengthens the digestive as well as the eliminative organs.

Get a 25c box of Nature's Remedy NR Tablets and take one tablet each night for a week. Relief will follow the very first dose, but a few days will elapse before you feel and realize the fullest benefit. When you get straightened out and feel just right, gain you need not take medicine. Very day—an occasional NR Tablet will then keep your system in good condition and you will always feel your best. Remember, keeping well is easier and cheaper than getting well.

Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by our druggist.

ROM CHERRY-BLOSSOM LAND

The Japanese Give Good Example

It is a proverb of Cherry Blossom Land that beauty of face and figure depends on womanly health.

What is it that makes our American women often pale, sallow-faced, with dark circles under the eyes, and very often old a forty-five when they should be in their prime?

Women suffer in girlhood from back ache, spine-ache and headaches, followed by irregularities and as a result disease of the womanly organs are more common than any one but a physician in active practice could suppose.

After long experience in the treatment of women's diseases, Dr. Pierce's Favorite Prescription has been found to be a purely vegetable preparation about a particle of alcohol contained in it.

When a woman complains of backache, dizziness or pain—when everything looks black before her eyes—a dragging feeling, bearing-down, with nervousness, she should turn to this "temperance" herb medicine. It can be obtained in almost every drug store in the land and the ingredients are printed in plain English on the wrapper. Put up in tablets or liquid. Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., will send a trial size of 4 tablets for ten cents.

which were carried out in the present case.

Seaman Grimes was a native of Wrights, born December 5, 1899, and enlisted in the navy December 19, 1917. A little more than a year ago he was shot by the accidental discharge of a gun while cruising in European waters, and available information indicates that he was placed in a hospital in Russia, where he died April 7, 1918. The remains were interred at Gibraltar until they could be brought back to America, and one week ago the parents received a government telegram, saying that the remains had arrived at New York, awaiting disposition by the family, who directed that the remains be shipped to White Hall instead of being interred in a national cemetery. The naval hospital at Brooklyn was instructed to forward the remains in accordance with the parents' wishes. He was the fourth son of Mr. and Mrs. G. W. Grimes of White Hall, and three brothers and three sisters survive, as follows: Ed Grimes of Beardstown, Manley Grimes of White Hall, Zeno Grimes of Raymond, Miss Ruby Grimes of White Hall, Mrs. Charles Wallace of Rock Falls and Mrs. James Russell of South Carolina.

A memorial tree in memory of Seaman Grimes is dedicated on the White Hall soldiers' monument grounds, and is under the supervision of the White Hall senior high school.

White Hall Notes.
Rev. Harry R. Evans, son of Mr. and Mrs. C. A. Evans, has a post in connection with the Methodist Centenary Exposition at Columbus, Ohio, and sends an account of the greatest missionary exposition ever attempted by any denomination. There is a tented exposition of 50,000 to accommodate visitors, the sanitary features of which are under the direction of Major General Leonard Wood. Rev. Evans is a student at Wesleyan University at Bloomington, and has a church in that vicinity.

W. G. Ebey arrived Sunday evening from St. Louis, and spoke at the M. E. church that night on the prohibition movement. He had been at Chicago, where on Friday afternoon he addressed the national association of train dispatchers, he holding the title of assistant to the president of that association. He rejoins his family at St. Louis Tuesday, and they will proceed to their home at Hamlet, S. C., where Mr. Ebey is a train dispatcher on the Seaboard Air Line. He is gaining a reputation of a public speaker akin to that of his illustrious cousin, Rev. Hardin W. Davis, both of whom were born and reared at White Hall.

Arrangements are being made to banquet 450 visitors and local bankers and their families Friday evening in connection with the county meeting of bankers on the White Hall chautauqua grounds. The banquet feature is in charge of the ladies' guild of the Baptist church.

The disappearance of the horse from the lines of traffic is proceeding more rapidly than can be realized. Last week Gip Manley sold his team and placed an auto bus in service to accommodate passengers and the mail service between the railroad stations and up town.

The special mail delivery service has been quite brisk since the strike of commercial telegraphers, telegrams for local delivery being sent out of St. Louis in this way. The strike is still on, but it is believed that a settlement will be reached in a few days.

Dr. and Mrs. Roy Peters are here from Rochester, Minn., to spend about a month. Dr. Peters is connected with the Mayo Bros. sanitarium.

Differences between the mayor and city council cause two policemen to remain on night duty, but it is thought that the differences will be adjusted at the July meeting. The business men petitioned the council to retain Geo. W. Clouder, and the new mayor nominated I. N. Swartwood. Inasmuch as the largest portion of the salary of the night policeman is footed by the business men, the majority of the council is disposed to stand by the petition.

SERBIA FLOODED WITH GERMAN GOODS

German and Austrian Peaceful Infiltration of Serbia Has Begun—Little Prejudice Among Peasants Against Invaders.

Belgrade. —(By Mail).—The German and Austrian peaceful infiltration of Serbia has begun. The hotels of this city harbor guests whose identity is revealed by their heavy Teutonic cast of features. They talk in German and laugh loudly over their beer. Indeed if one does not speak German in Belgrade one sometimes finds himself misunderstood. The waiters do not know English or French in the majority of cases.

"My friends in Basle told me I would be mobbed in Belgrade if I spoke German there," declared a self-styled Swiss salesman. "However, I found that when I spoke Italian I was treated with disrespect, that when I spoke French I was ignored and that when I spoke English I was smilingly but politely told, in German, that I could be best served by speaking the tongue I know best."

Serbia from one end of the country to the other has been flooded with cheap Austrian and German goods. How they got in one cannot learn but every shop window in the village from Uskub to Semendria contains cheap mirrors, toilet articles, knives and gimcracks of every description "made in Austria." Many of the articles are backed with colored pictures under celluloid of the former Austrian and German Emperors in all their regalia. There seems to be little prejudice against German and Austrian goods among the peasants and village dwellers of Serbia.

Propaganda with Pictures.
The Serbian hates the Bulgarian as venomously as ever but he does not sing a morning hymn of hate against Germany or Austria. The country is flooded with pictures of atrocities committed by Bulgarians upon Serbians. The former Emperor Charles' picture still adorns the local police headquarters.

In Belgrade there is bitterness against the Austrians, especially among the better class of people whose homes were systematically despoiled by Austrian officers who shipped sixty trains of household goods from Belgrade across the Danube into Austria. Each train was composed of approximately thirty cars. Three hundred pianos were included in the loot. Belgrade and Northern Serbia are flooded with the depreciated Austrian currency, in fact there apparently is more Austrian money in circulation than Serbian.

The American Red Cross employs a number of German prisoners in transporting its supplies. They are better clothed than many Serb soldiers and go about the streets laughing and joking and in general quite at home.

The American Red Cross has for its warehouse the Palace Hotel which, just finished before the war, was intended to be the best hotel in Belgrade. When the Austrians entered the town, however, they deliberately smashed the plateglass mirrors, marble wainscoting and stabled their horses in the drawing room and dining saloon. The woodwork was torn out for firewood and the mahogany furniture wantonly hacked with axes.

"BAYER CROSS" ON GENUINE ASPIRIN

"Bayer Tablets of Aspirin" to be genuine must be marked with the safety "Bayer Cross." Always buy an unbroken Bayer package which contains proper directions to safely relieve Headache, Toothache, Earache, Neuralgia, Colds and pain. Handy tin boxes of 12 tablets cost but a few cents at drug stores—larger packages also. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

LIFT OFF CORNS!

Drop Freezezone on a touchy corn, then lift that corn off with fingers

Don't hurt a bit! Drop a little Freezezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! No humbug! A tiny bottle of Freezezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezezone is the sensational discovery of a Cincinnati genius. It is wonderful.

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of

Dr. J. C. Fletcher
Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

WM. McNAMARA DENIES A RUMOR—

A rumor has been circulated that the price of the "Dixie Flyer" Automobile is so absolutely low that deliveries cannot be made at such price. The rumor is true as to LOW PRICE, but false as to deliveries. We ARE making immediate delivery, and at the price advertised, i. e., \$1365, f. o. b. factory.

Ask an Owner

A Motor Truck represents an investment in hauling equipment. The truck that does the work year in and year out at the lowest cost proves to be the best investment. Ask any owner of an International Motor Truck and he will tell you the International cuts the cost of hauling down to the lowest practical point.

International first cost is low because of quantity production. Quality is maintained at a high standard because every important part of the truck is manufactured and each truck assembled in one great factory under centralized supervision. Every lot of material of every kind is subjected to the most rigid tests, and unless it passes those tests it is discarded. No inferior material or workmanship gets into

International Motor Trucks

These things are done because the International Harvester organization is building not alone for the present but for the future. We want every International Motor Truck owner to feel that he has the best truck he can buy and to be able to prove it at any time by any fair test that can be suggested or proposed.

Some day you will buy a motor truck. If you are the kind of a man that is not satisfied with anything but the most economical truck for hauling and delivery work, drop us a line, call up, or come in and see us. The more you know about motor trucks, the quicker we can convince you that the International is a mighty good truck to own. There is a style and size to meet almost every hauling requirement.
